**ORDER**

This matter is before the court on two motions filed by defendant: motion to correct restitution [DE #142] and motion pursuant to Rule 33 and requesting an accounting ledger [DE #151]. Appropriate responses and replies have been filed, and these matters are ripe for adjudication. The court has carefully reviewed these motions and finds them to be without merit, for the reasons detailed in the government's responses. Therefore, the motions [DE #142 and #151] are DENIED.

This 2<sup>nd</sup> day of December 2020.
